Poster Preparation:
- If you already have made your poster for another presentation or meeting, it is absolutely fine to reuse it.
- If preparing your poster specifically for P&S Student Research Day, consider using our preferred poster vendor, makesigns.com to design and print your poster, using this link: http://www.makesigns.com/SciPosters_Home.aspx?pc=COLUMBIAPS or this referral code (COLUMBIAPS). Be sure to place the order using a columbia.edu e-mail address.
  - Although Makesigns posters typically measure 36” x 48”, the poster boards are 48” x 60” and thus can accommodate larger sizes if you have already prepared your poster for another presentation.
- We will contribute $50 for poster printing, an amount that should nearly cover printing and shipping, if RUSH shipping is not required.
  - Please contact Jackie Ruiz at jr2652@cumc.columbia.edu for the appropriate reimbursement forms.

Poster Submission:
- Your poster must be submitted electronically by Friday, March 17th at 5 pm to StudentResearchatPS@cumc.columbia.edu.

Poster Viewing on Student Research Day:
- Student Research Day will take place in the Bard Hall Lounge on Thursday, March 23rd from 3:00 to 6:00 pm.
- Refreshments will be served.
- The hardcopy of your poster may be hung after 3:00 pm.
- Judging starts promptly at 4:00 pm.
- To avoid last minute problems, be sure your poster is hung well before 4:00 pm. You can use any extra time to go round and see your colleagues’ posters.
- You must be in attendance at your poster between 4:00 and 5:45 pm.

Poster Judging:
- Separate panels of faculty judges will review abstracts and attend posters in each category (Scholarly Projects; Research Year; MD/PhD, Summer
Research).

- The judges for each category will come see your posters so that you can present your findings to them.
  - Be succinct as they will have to see all the posters in their category
  - Plan to summarize your results in 3 minutes and leave a few minutes for questions.
  - They will be particularly interested in your role in the research.
- Top-rated posters in each category will receive a certificate and a monetary award.
- Prizes will be announced by Dean Goldman from 5:45 and 6:00 pm.
